The mission Dale & Lisa serve with, which has been known in the past as The First Day Society, The Adult and Sunday School Union, The American Sunday School Union, and (most recently) American Missionary Fellowship, has changed its name to InFaith. As missionaries, we walk in faith daily, depending on the Lord to meet all our needs as we serve Him right here in the United States.

InFaith missionaries are called to a variety of ministries around the nation, but we are all united in our faith in Christ and our desire to tell others about Him. In changing our name, we have not changed our core theology, our day-to-day ministry, or our focus on the United States. We have simply changed the way we present ourselves publicly, in the hope that we can better communicate what we do as a mission.

We want our name to be inviting for the current generation of Christians who we would like to join us. We hope that when you see the InFaith logo or hear our name, you will associate it with an active mission full of people who love Jesus and are passionate about sharing His love with others. We hope you will join us or continue to support us as a donor, prayer partner, volunteer, or missionary as we place our faith in Christ and follow His command to tell others about Him right here in the United States.

For those of you who have supported our ministry over the years, please know that what we do has not changed. If For more information on the name change, please visit the national website at www.infaith.org.

Dale and Lisa Heaton have served at Camp Joy with this mission for 22 years. We have watched young people as they matured from campers to Jr counselors to counselors and sometimes Summer Missionaries. Now we are blessed to be able to watch their children go through the same cycle. God has been so good to us in allowing us to continue to serve here. There is no place on earth we'd rather be! We're so grateful for the many people that support us through prayer and finances enabling us to continue to do the work that God has called us to. As faith missionaries we must raise our support from interested churches and individuals. If you would like to be a part please use the coupon below. Thank you!

Summer Missionary team 2011

THE YEAR WAS BLESSED! God worked in MANY hearts of boys and girls; 62 names were added to the Lambs Book of Life, 102 children rededicated their lives to Christ and 15 indicated they sensed God was calling them into fulltime Christian service, Praise the Lord! THIS is the reason we faithfully serve at camp. There could be no other reason we'd even think of doing this job!! Thank you for partnering with us to provide this wonderful opportunity to children!

The summer of 2011 has come to an end, and overall it was a very good summer. Our Program Directors for most of the summer were Jenna Polley and our oldest granddaughter, Chelsie Olson. 2 young ladies that were introduced to each other when they were both less than 2 months old. Jenna's parents are good friends of ours and they came for a visit shortly after Chelsie was born. Jenna was a chubby 13 pound 8 week old Chelsie was a spindly-legged 5 1/2 pound newborn. 17 years later it's sometimes hard to know which one is which when they are walking down the sidewalk! They did a wonderful job of organizing the activities this summer and we're really proud of both of them. Of course they couldn't have done it without the support and encouragement from the rest of the SM team who worked very hard in every area of the camp ministry. We are truly blessed to be able to work with such great teens. These kids are a major key to Camp Joy remaining a vital ministry. We had 6 young people that served as Summer Missionaries this summer; Chelsie Olson, Jenna Polley, Johanna Grimsley, Jordan Lange, Marley McDunn and Steven Miller.

Our attendance for the children's camps was up a little. Longtime friend, Pastor Bill Helland, kicked the summer off by leading Staff Training. This was his first year at Staff Training but he's been a Chapel speaker many times in the past. Our Family Camp Speaker, Pastor Paul McKibben, is new to Camp Joy. His down to earth messages were well received. Pastor Paul Anderson was our Speaker for the boys camp. Pastor Paul has been a Navy Chaplain who served in Iraq. He talked to the boys about being Godly leaders. This was his first time at Camp Joy but hopefully not the last. Other new speakers this year were Marney Slager who spoke from her heart at the 11-13 year old girls camp and made a great connection with the girls; and Pastor Phil Campbell who spoke at the 14-17 year old camp. Pastor Phil got out and spent time with the kids and again made a great connection. We enjoyed our "Old Regulars" too. Pastor Bert Holmquist and Pastor Bob Satterlie. Both have been helping at Camp Joy for many years. We appreciate each one that helped this year so very much.

Calvary Baptist of Roseville has been coming to Pelican Rapids for one of their mission's trips. For most of those years many of them have helped Camp Joy get ready for the season as well as undertaking projects to enhance the appearance and usability of the camp. We greatly appreciate their help! Each year they help us put the finishing touches on our summer preparation, by scraping, painting, digging, leveling and sweating! This year they added a basketball court on the boy's side. Thank you so much!

Fall Work Days:

The Campers have gone home and now it's time to get the camp ready for the winter. On September 17th and 24th we invite you to join us as we drain the water and button things up for the fall.

Your help would be greatly appreciated!

Every week had its highlights but one of the more memorable was from the 11-14 year old boys camp. On the last night of Boys camp Pastor Paul led a flag retiring service. It was a very special solemn time. The boys stood a little taller and straighter at flag raising the next morning out of a new found respect for our country and our flag.

Calvary Church of Village Green

For the 8-10 year old camp most of our staff came from this church. They have played a part of the ministry of Camp Joy since its beginning in 1941. We are grateful for their help this summer and hopefully in the summers to come!

This was our army of Staff & Volunteers.
